

# The Church Year

## Colours

The custom has grown up in the Anglican church where different colours are used to celebrate each season of the church year. This may include the colour of the priest's outer vestment and the embroidered scarf or stole, the cloths used during communion or the candles.

**In the pictures below glue or colour the stole the correct colour based on the descriptions.**

Christmas,  
Epiphany, Easter,  
and major Saints  
Days.

Pentecost and  
principal feast days  
for martyrs and days  
which emphasise the  
cross of Jesus.

Advent and Lent.

Hope and creation  
of all the other  
times of year.
