## The Good Samaritan

Three events from the story are drawn below. Put a number next to each event to show the correct order.

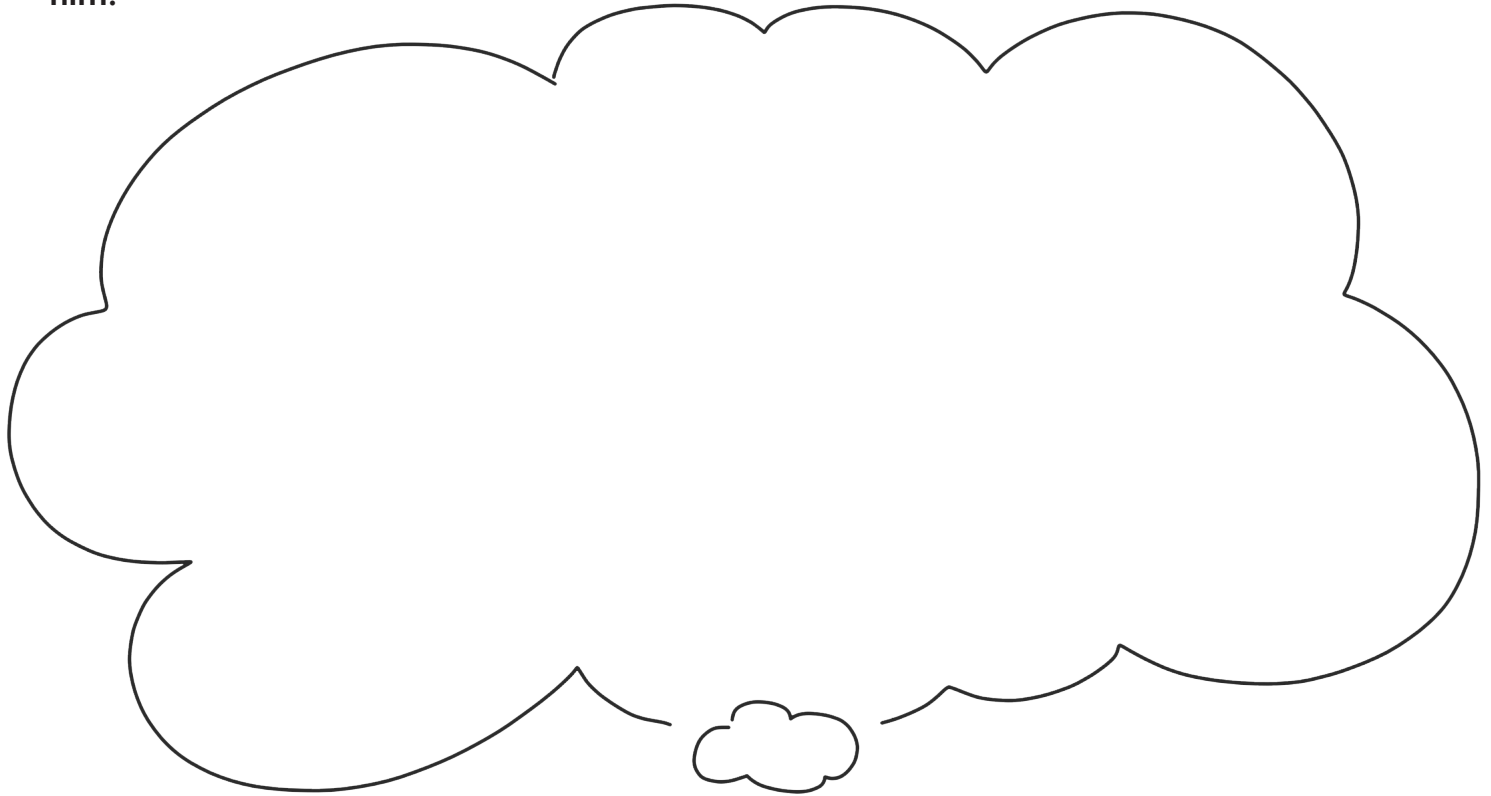

1. The man is injured
2. The priest walks past the man
3. The samratian helps the man

## The Good Samaritan

Below is a picture of the injured man from the story. In the speech bubble draw what you think the injured man was thinking or feeling when the people walked past him.

Why didn't all the people that walked past the injured man show him kindness? What things can stop us from showing kindness?
