

Refugees ~ Responding to Refugees

Below is a list of some of the challenges refugees could face;

- Poor access to clean water
- A lack of opportunities to work and earn money
- Loss of their personal belongings
- Separation from family and friends
- Living in temporary housing
- Trouble accessing toilet facilities
- Language barriers
- No access to medical care
- Threats to their physical safety

Pick one of the challenges listed above and describe how this challenge might impact a refugee.

Pick two of the people below and describe in the speech bubble how they could help a refugee overcome this challenge.

Refugees ~ Responding to Refugees

What could you do to help refugees overcome this challenge?
