Refugees ~ Refugees Reflection

"And whether they travel by land or by sea, refugees should be allowed to cross borders, with or without travel documents. Pushing people back and putting up massive fences only forces them to take more dangerous routes to safety."

Source: https://www.amnesty.org/en/latest/campaigns/2015/10/eight-solutions-world-refugee-crisis/

Do you think free movement between countries is a solution to the refugee crisis?

Include:

- A description of what the quote is saying
- Some reasons why this solution could help refugees
- A list of the problems this solution might create
- A discussion of what you think the Good Samaritan and host of the Great Banquet would think about this solution
- A description of any other solutions you can think of and why you think they are good solutions
