**NB:** The list above is not exhaustive, and the Policy should be read in full to understand all obligations.

## 1. PURPOSE

The ASC has developed this Policy to assist Principals to manage the enrolment, inclusion, education and safety of students in a manner that is ethical, legal and consistent with the strategic direction of the ASC, and by doing so is supporting a consistent approach by all schools.

## 2. SCOPE

This Policy applies to students who receive Commonwealth and State recurrent funding.

## 3. PRINCIPLES

3.1. The vision for schools is that they fulfil the gospel imperative to teach and live the faith and nurture the young as centres of excellence in teaching and learning, pastoral care, worship and service.

3.2 ASC schools shall accept all application forms for enrolment for processing; however, the acceptance of an application form does not guarantee an enrolment interview or subsequent offer of enrolment.

**NB:** A Registration of Interest in Enrolment and an Application for Enrolment and Enrolment Agreement must be completed for each student.

3.3 The Principal or their representative will normally interview parent(s)/guardian(s) and the potential student prior to an offer of a place. Such interviews will give parent(s)/guardian(s) the opportunity to provide additional educational and personal information and to discuss the school's aims and policies.

3.4 Each school is responsible for developing and reviewing a school-based enrolment and attendance process which implements all aspects of the:

- (1) ASC Registration of Interest in Enrolment Application; and
- (2) ASC Application for Enrolment and Enrolment Agreement.

3.5 The school-based process must be available on the school website. The Principal/Business Manager, in conjunction with the School Council, is responsible for developing and approving the School's enrolment process, which will suit its particular requirements and reflect the uniqueness of their school community. The school process must address the following:

- (1) Compliance with state and federal legislation for school enrolments;
- (2) Compliance with the requirements of the Disability Standards in Education 2005:
  - Take reasonable steps to ensure that a prospective student is able to seek admission to, or apply for enrolment in, the school on the same basis as a prospective student without a disability, and without experiencing discrimination;
  - The decision whether or not to offer the student a place is treated on the same basis as a student without a disability, and without experiencing discrimination;
  - The Principal must consult with the prospective student about whether the disability affects the prospective student's ability to seek admission to or apply for enrolment at the school;
  - In light of the consultation, the Principal must consider the educational adjustments required for the student;
  - The Principal will make the final decision on enrolment, seeking legal advice and consulting with the ASC as appropriate; and

- The family must be informed of the final decision and the reason for the decision should an enrolment not be offered by the school.
- (3) Three distinct stages of enrolment – Application, Interview and Offer of Enrolment;
  - (4) Class size maxima as per the Teacher Workloads in ASC Schools Policy (VIC);
  - (5) Clarity on the enrolment factors that will be considered before an offer of a place at the school is made, such as:
    - Siblings of students already enrolled, or previously enrolled
    - Children of Anglican Clergy;
    - Children of former students;
    - Practising members of the Anglican Church;
    - Date of application;
    - Individual family circumstances;
    - Outcome of the interview process; and
    - Children of parent(s)/guardian(s) who indicate a willingness to support the Anglican ethos of the school.
  - (6) Ensuring that current and up to date immunisation records are requested and retained; **(Refer to Appendix 1)**  
**NB:** There are by law, mandatory requirements for enrolment of Foundation students.
  - (7) Ensuring that a Schedule of fees and payment policy is made available to parent(s)/guardian(s) and is published on the school website;
  - (8) Ensuring that parental obligations are clearly communicated and accepted – Terms and Conditions of Enrolment;
  - (9) Compliance with the requirements of the National Privacy Principles (NPPs) as contained in the Commonwealth Privacy Act and documented in the School Privacy Policy;
  - (10) Ensuring that personal details of students remain up to date;
  - (11) Standardised attendance record keeping; and
  - (12) Notification of extended absence or regular non-attendance.

#### **4. PROCEDURES**

##### **4.1 Enrolment - Stages of Enrolment**

There are at least three distinct stages in the enrolment process:

- (2) All supporting documentation must be obtained, namely:
  - Students birth certificate.

  - Students NAPLAN (National testing) test results from current or previous schools.
  - Pre-enrolment information – related documents and/or reports (e.g., Assessments, Specialist reports etc.).

- Visa and/or temporary/permanent residency documents and passport (these are required if a student does not have an Australian Birth Certificate).
  - Non-refundable Application Fee (per Schedule of Fees).
  - Current and up to date immunisation records (**Refer to Appendix 1**);  
**NB:** There are by law, mandatory requirements for enrolment of Foundation students.
  - Details of any condition of the student that may call for special steps to be taken for the benefit or protection of the student or other persons in the school (medication, physical, cognitive, learning).
- (3) The information provided on the application form will be confirmed and missing or additional information requested.

### **Stage 2: Pre-enrolment Interview**

- (1) Prior to a student being offered a place at the school, prospective students and their parent(s)/guardian(s) will be invited to an interview. This will happen sometime during the year prior to commencement of the prospective student's education.
- (2) During the interview, the Principal or delegate will discuss educational matters, academic, social development and support for Anglican ethos. An invitation may be offered to attend a brief tour of the school.
- (3) The Principal or delegate will take interview notes before making a recommendation in respect of enrolment.

### **Stage 3: Offer of Enrolment**

- (1) Once the school is satisfied that it has all the information it requires, the parent(s)/guardian(s) will be offered a place at the school for their child and a formal Letter of Offer will be provided.

- (3) The Principal must not cancel a student's enrolment without first:
- Giving written notice of the proposed cancellation, and reason for it, to the parents or guardian or students (if over 17); and
