## ANGLICAN SCHOOLS COMMISSION

### Our schools are more than just centres for learning. ASC schools are Communities of Excellence.

Founded in 1985, the ASC is one of the larger non-government schooling systems in Australia. With a staff of over 1,500, we educate 14,500 students in our 14 schools across three states of Australia. ASC schools are distinctly Christian communities that demonstrate care for each other and treat all people with dignity and respect.

*"The Anglican Schools Commission recognises the benefits that international students bring to our schools. Besides adding to cultural diversity and language skill development in our schools, they broaden our global perspective to learning. Our students' journey is enriched as young women and men from various countries study side-by-side in the classroom, compete on the sporting field and perform on the stage or in the orchestra pit. ASC International's programs value each student as an individual with unique needs, gifts and aspirations. Our academic programs along with co-curricular activities and Student Welfare Services combine to offer a holistic educational experience, which cares for all aspects of a student's well-being. We aim to ensure a smooth transition into life in Australia for every student, with each milestone achieved marking a student's growth and maturity along his or her pathway to realising their goals. We are delighted with the success and expansion of our international programs and look forward to welcoming more overseas students to ASC Schools."*

**The Reverend**
**Peter Laurence OAM**

**CHIEF EXECUTIVE OFFICER**
**THE ANGLICAN SCHOOLS COMMISSION (INC.)**

## Why ASC International?

- Multiple private co-educational school options
- Over 35 years' expertise in education
- English language courses for high school preparation
- Unique and innovative student support programs
- Quality pastoral care and welfare support
- University foundation program for streamlined entry into a WA University

# About

## ASC INTERNATIONAL

### ASC International is a part of the Anglican Schools Commission dedicated to servicing international students wishing to study in our schools.

With a specialised English Language School (ASC Language School) and multiple school locations to service international students, ASC International is one of the private schooling systems in Australia to operate with:

· one application form · one set of entry criteria · one tuition fee structure

as a gateway to **multiple school destinations**. Students are able to choose from a variety of different study destinations.

Our pathway options are designed to provide students with various backgrounds and abilities, the opportunity to achieve their study goals in Australia.

ASC International aims to be with each student every step of the way during their academic journey and Australian experience.

# StudyPerth

## MESSAGE

### Western Australia is one of the country's fastest growing education regions.

**The capital city Perth is a friendly multi-cultural city, offering an enviable lifestyle, a stimulating education and training experience, and enhanced work experience opportunities.**

As parents, we want the best education and future for our children so they can grow to become global citizens.
We hope that our children will learn in safe, caring and inclusive environments, which can also mean learning in a new city or country.
We look for schools that offer quality pathways to university and a wide range of programs and courses to suit each child's aspirations and interests.
We seek outstanding teachers and support networks which can help students navigate the transition to a new country and school, and present new opportunities for them in every area of life.
Perth, Western Australia, can provide this future for your children.
Perth is a friendly multi-cultural city, offering a safe and affordable lifestyle for students, and it can provide many learning and work experience opportunities.
These are some of the reasons that Perth has been voted one of the most liveable cities in the world, and is among the most desirable student cities globally, with a mix of public and private education providers including schools, colleges and universities.
StudyPerth is committed to enhancing every student's experience in our great city. Our initiatives include:

- **a StudyPerth Welcome Pack on arrival in Perth;**
- **a welcoming International Student Hub in the heart of the CBD, from which students can access support services, make friends and develop skills to help them enjoy their Perth experience;**
- **information on living, studying and working in Western Australia on the StudyPerth website, including career profiling and course matching;**
- **invitations to attend StudyPerth events and activities, including a wide range designed for under 18s.**

**· When your child attends school in Perth, their school and the dedicated team at ASC International will be with them every step of the way to help them succeed academically, and mature as a confident, creative and independent young adult.**

**· Your child will be able to make new friends, build meaningful networks, to help them learn and thrive in Western Australia. I hope to welcome your child to Perth soon, and see them at our next event. I know they will love it here.**

**· Derryn Belford**

·

CHIEF EXCECUTIVE OFFICER,
STUDYPERTH
StudyPerth is the peak international education body for WA, funded by government and member institutions and tasked with promoting Perth as the international study destination of choice.

ABOUT

# Western Australia

**Perth is the capital city of Western Australia and the fastest growing city in Australia, offering many diverse opportunities for study and employment.**

Perth is most popular for its safe environment, quality education, cosmopolitan lifestyle, pleasant climate and beautiful oceans.

Living in Perth is enjoyable, with excellent housing options, transport system and infrastructure.

The dynamic CBD which offers an incredible array of food, shopping and cultural experiences is just 20 minutes away from breathtaking ocean views and a relaxed beach lifestyle.

Western Australia boasts several smaller coastal cities such as Mandurah, Busselton, Albany and Esperance, each with breathtaking scenic attractions and attractive study options such as TAFE and university campuses. A short flight, drive or train ride from Perth city, these coastal areas also offer excellent facilities, infrastructure and quality education with lower living costs.

*"Georgiana Molloy Anglican School is a school that strives to promote excellence in all things, challenging the students to go beyond mediocrity and achieve their full potential. Our focus on Positive Education helps each individual explore what they do well and the strategies that work best for them. Cultivating a positive view of themselves, students discover their individual talents which help them succeed in a rapidly changing world."*

## Awards / Recognition

Count Me In Award for Inclusive Education

Australian Council for Education Leaders – Certificate of Excellence awarded to Ms Anne Ford for Educational Leadership 2014

*"A wonderful, welcoming school where every student is accepted.' These words from one of our parents encapsulate for me the essence of John Wollaston Anglican Community School. We are a school with a heart and a soul.*

*As a World School of the International Baccalaureate Primary Years Programme, our appeal and success lie in our strong sense of community, the standards and values we celebrate and our innovative and progressive approach to learning. We have achieved excellent graduation rates and strong ATAR and VET results in recent years."*

**– MS ANNE FORD, PRINCIPAL**

ABOUT

# Victoria

**Victoria's diverse landscape includes snow-capped mountains, vast seashores, striking desert regions and charming historic towns. Across the state, discover world-class education in Melbourne, the capital city of Victoria, as well as nearby cities such as Ballarat, Bendigo, Cobram and Wangaratta.**

Melbourne is a safe and vibrant city with excellent culture, environment, education and infrastructure as well as a wide range of study options and services.

Victoria's nearby centres and cities are contemporary, well-serviced, family and student-friendly. They offer a relaxed lifestyle and a world-class education that is recognised by international institutions and employers. These cities often have lower housing costs, active community and sporting organisations, easy access to natural attractions and multiple transport options for visits to Melbourne, or other parts of Victoria and Australia.

ABOUT

# New South Wales

## New South Wales is home to world-class universities, research organisations, vocational education and training institutions, including Government-owned Technical and Further Education Institutes (TAFE).

We also have a wide range of Australia's leading private education and training providers and English language colleges as well as secondary schools all offering the highest quality.

In New South Wales, on the banks of the mighty Murray River, the vibrant twin cities of Albury and Wodonga are charming destinations.

These cities have world-class university options, are modern, safe as well as family and student-friendly. Students have great access to courses in the regional campuses of NSW universities, achieving qualifications that are recognised world-wide.

Albury-Wodonga also offers lively arts, theatre, dance and music. It offers lower housing costs, active community and sporting organisations, easy accesss to natural attractions and multiple transport options.

You can fly directly from Melbourne, Sydney and Gold Coast to Albury Airport.

# How to Apply

## TO AN ASC SCHOOL

STEP 01

**Choose your pathway**
Contact our office or an authorised education agent to determine your year of entry and course pathway.

STEP 02

**Apply**
Complete an application form and submit it together with the required documentation.
- A copy of your passport
- Copies of your last two academic transcripts (in English)
- Results of an English language proficiency assessments

STEP 03

**Letter of Offer**
Your application will be assessed and if successful, our office will issue you a Letter of Offer.

STEP 04

**Acceptance**
Return the signed Letter of Offer and arrange payment of fees as indicated.
Submit your application for homestay with ASCI, if you require homestay.

STEP 05

**Confirmation of Enrolment**
Once payment is receipted and we receive your confirmation of homestay placement, we will issue a Confirmation of Enrolment (CoE) and a Confirmation of Appropriate Accommodation and Welfare (CAAW) letter.

STEP 06

**Visa**
Submit your visa application and advise us as soon as it has been granted.

STEP 07

**Preparation and Orientation**
Organise your travel details and advise us of your arrival date and time.
Our Student Services team and the School will be in contact with some important pre-departure orientation information. Make sure you review this carefully.

STEP 08

**Arrival into Australia**
Your school orientation will usually take place the day before school officially starts and you will be welcomed by ASC International and school staff.
