Camps and Excursions

Students are expected to participate in camps and excursions. Costs vary depending on the activity and every effort is made to keep the costs to a minimum.

Camps, Sport and Excursions Fund (CSEF)

CSEF is provided by the Victorian Government to assist eligible families to cover the cost of school trips, camps and sporting activities. Families who hold a valid means-tested concession card or are a temporary foster parent are eligible to apply for CSEF. Annual amounts are approximately \$125 for a primary student and \$225 for a secondary student. The allowance is paid to the school to be used for camp, sporting and excursion costs. Eligible families will have an adjustment made to the total camp/resource levy where applicable. For more information visit www.education.vic.gov.au/csef

Co-Curricular Activities

It is expected that students will participate in co-curricular activities organised by the School or in conjunction with community groups. Some of these activities may involve a cost, with details advised from time to time. Payment for such activities will not be reduced if a student does not attend such an activity after it has commenced.

Family Sibling Discount

A reduction of **15%** of the Tuition Fee is made for the second child of the family attending the School, **25%** for the third child, and **40%** for the fourth and subsequent children of the family attending in the same calendar year.
